

July 23, 2012

Dear Lacombe Fish and Game Association,

Thank you for sponsoring me to go to The Cenalta Youth Conservation Academy. I had a blast learning about how to shoot properly and how to canoe. I also made new friends. The food was delicious. I found out that I am a good shot with a 22 and an excellent fire starter. My group even won the fire starting competition. The instructor said I should look into competitive shooting. I would love to come back as a volunteer next year because I had so much fun. Thanks again for sending me to this camp. It was a great experience.

Sincerely,

Kevin Beierbach
